**DECLARATION OF BRYN BRIDLEY
RE NOTICE AND SETTLEMENT
ADMINISTRATION**

Date: October 26, 2022
Time: 9:00 a.m.
Judge: Christopher Krueger
Dept: 54

Action Filed: March 16, 2021

1 I, BRYN BRIDLEY, declare as follows:

2 1. I am the Director of Project Management at Atticus Administration, LLC
3 (“Atticus”), a firm providing class action and claims administration services. I have extensive
4 experience with class action notice and claims administration. I am fully familiar with the facts
5 contained herein based upon my personal knowledge and involvement with the above-captioned
6 action and if called upon to testify to such, I could and would competently do so.

7 2. Atticus is the Settlement Administrator for the above-captioned action and is
8 responsible for carrying out the terms of the *Class Action Settlement and Release* (“Settlement
9 Agreement”) as ordered by the Court in the *Revised Order Granting Motion for Preliminary*
10 *Approval of Class Settlement* (“Preliminary Approval Order”) dated April 26, 2022.

11 3. I submit this Declaration to inform the parties and the Court of the Settlement
12 administration activities completed to date. This Declaration describes: (i) the method of
13 providing notice to the Settlement Class, (ii) exclusion requests and objections received, (iii)
14 Class Member Payment calculation, and (vi) the costs of Settlement administration.

15 **I. NOTICE TO THE SETTLEMENT CLASS**

16 4. On May 5, 2022, Atticus received a data file from Defense Counsel containing
17 the name, address, and email address if available for 16,548 individuals who have or had
18 California mailing addresses whose Personal Information was transferred, copied, or stored on a
19 storage drive or storage service not authorized by River City Bank (the “Bank,” or “Defendant”)
20 on or about September 27-29, 2020 and/or was accessed by a person not authorized by the Bank
21 (“Class Members,” the “Class List,” or the “Settlement Class”). Atticus reviewed the file for
22 completeness and worked with Defense Counsel to confirm and remove 131 duplicate entries.
23 The final Class List included 16,417 Class Members.

24 5. The Class List was processed through the National Change of Address databank
25 maintained by the United States Postal Service (USPS) prior to dissemination of notice. This
26 process provides address updates for individuals who have moved within the last four (4) years
27 and who filed change of address cards with the USPS.

1 6. On May 26, 2022, Atticus mailed the Court-approved *Notice (Long Form) of*
2 *Proposed Settlement of Class Action Regarding River City Bank Data Breach* (“Class Notice,”
3 of “Notice”) by U.S. first class mail to 8,754 Class Members and by electronic mail to the 7,663
4 Class Members whose email addresses were included in the Class List. True and correct copies
5 of the mailed and emailed Class Notices are attached to this declaration as **Exhibit A**.

6 7. A URL was also included in the Notice ([www.atticusadmin.com/rodriguez-v-](http://www.atticusadmin.com/rodriguez-v-river-city-bank-settlement/)
7 [river-city-bank-settlement/](http://www.atticusadmin.com/rodriguez-v-river-city-bank-settlement/)) where case documents are accessible 24 hours a day, 7 days a week.
8 The URL has been operational since April 30, 2022 and will remain throughout the settlement
9 administration process.

10 8. In total, 538 of the Notices sent by email “bounced” and could not be delivered.
11 Skip trace was performed on the bounced emails and 68 new email addresses were obtained and
12 on June 6th the email notice was sent. Of these 68 e-mails sent to new e-mail addresses, 35
13 bounced back. In total, 7,158 out of 7,663 emailed Notices, or 93.40% of the e-mailed Notices,
14 were successfully delivered to Class Members.

15 9. On June 6, 2022, Notices were sent by U.S. first-class mail to 470 of the Class
16 Members whose emailed Notices failed, and a new email address was not obtained. Mail notices
17 were sent to thirty-five (35) additional failed email Notices mail on June 9, 2022.

18 10. A total of 9,259 Notices were sent by mail, including 8,754 notices mailed on
19 May 26, 2022, 470 notices mailed on June 6, 2022, and 35 notices mailed on June 9, 2022.
20 1,087 were returned to Atticus as undeliverable. Of the 1,087 undeliverable Notices returned, 31
21 included forwarding addresses and were promptly re-mailed to the forwarding addresses. Of the
22 1,056 remaining undeliverable notices, 1,015 were sent to a professional service for address
23 tracing; and 41 undeliverable notices were not sent for tracing because they were returned at or
24 after the Class Member response deadline. OF the 1,015 addresses sent to trace, new address
25 updates were obtained for 503 of them, and Notices were promptly resent to those 503 new
26 addresses. New addresses were not received for 512 records sent to trace. Of the 503 notices
27 that were re-mailed, sixty-one (61) of them were returned to Atticus a second time and were not
28

1 re-mailed. The 41 undeliverable records that were not traced because they were returned at or
2 after the response deadline will be traced prior to distributing Class Member payments. In sum,
3 8,645 of the 9,259 mailed Notices, or 93.37% of the Notices disseminated by mail were
4 successfully sent.

5 11. In total, Notice was successfully delivered to 15,803 of the 16,417 Class
6 Members, or 96% of the Class.

7 **II. EXCLUSION REQUESTS AND OBJECTIONS**

8 12. Class Members had until July 11, 2022 to request exclusion (“Opt Out”) of the
9 Settlement or object to the Settlement’s terms and request to speak at the Fairness Hearing.
10 Atticus received 77 valid and timely exclusion requests. A list of the 77 Class Members who
11 requested exclusion from the Settlement is attached hereto as **Exhibit B**.

12 13. Class Members had until July 11, 2022 to object to the Settlement’s terms and
13 request to speak at the Fairness Hearing. Atticus received (1) objection. A copy of the
14 Settlement objection received from Class Member Gary D. Gall is attached as **Exhibit C**.

15 **III. PAYMENT CALCULATIONS**

16 14. Upon the Court’s entry of a final approval Order including the approved payment
17 amounts for Administrative Expenses (\$25,00), Class Counsel’s Fee Award (\$49,000) and costs
18 (\$4,619.84), and the Class Representative’s Service Award (\$2,500), Atticus will calculate the
19 Class Member Payment pursuant to the Settlement payments due to Participating Class
20 Members pursuant to Section II. 10. h. of the Settlement Agreement. The Court approved
21 amounts will be deducted from the \$140,000 Settlement Payment to determine the Net
22 Settlement Fund available for distribution to the Settlement Class, which is approximately
23 \$58,880.16. The Net Settlement Fund will be divided equally by the 16,340 Class Members
24 who did not exclude themselves to determine the Class Member Payment which is
25 approximately \$3.60 per Class Member. Atticus’ calculation will be provided to the Bank for
26 approval in accordance with paragraph 17 of the Settlement Agreement.

IV. COSTS OF SETTLEMENT ADMINISTRATION

15. The Administration Expenses for this matter are \$28,928.52 (and \$29,153.58 including a standard rounding discount). An invoice is attached as **Exhibit D**. The Settlement Agreement caps the administration costs at \$25,000 and Atticus will not be reimbursed for \$3,928.52 in costs it has actually incurred administering the Settlement. This amount includes preparing the Class List, printing, mailing, and emailing the Class Notice, Class Member communications, project management, establishing a qualified settlement fund entity, obtaining a federal tax identification number, opening a bank account, calculation of the Class Member Payment, and sending payments to the Settlement Class.

I declare under penalty of perjury under the laws of the state of California that the foregoing is true and correct and executed on September 19, 2022 in Mendota Heights, Minnesota.

These rights and options—and the deadlines to exercise them—are explained in more detail below.

III. FREQUENTLY ASKED QUESTIONS

1. Why did I get this Notice?

The Court authorized this Notice because the Bank’s records show you were a customer of the Bank and that your Personal Information (such as your name, social security number, date of birth, driver’s license number, passport number, bank account number, and bank account balance) was downloaded by a Bank employee to a storage device and/or storage service not authorized by the Bank, and sent to a third party not authorized by the Bank to receive such information.

You have a right to know about the proposed Settlement of a class action lawsuit against the Bank, your options, and how the Settlement may affect your rights before the Court decides whether to approve the Settlement. If the Court approves it and any objections and appeals are resolved, the Settlement Administrator approved by the Court will make the payment to the Class Members pursuant to the Settlement.

This Notice explains the lawsuit, the Settlement, your legal rights, and what benefits are available. This Notice also

explains the ways you may participate in, object to, or exclude yourself from the Settlement.

2. What is this lawsuit about?

The name of this case is *KYLE RODRIGUEZ, on behalf of himself and all others similarly situated, Plaintiff, vs. RIVER CITY BANK, a California Corporation; and DOES 1-10, Defendant* (the “Lawsuit”). It is case number 34-2021-00296612 in the Superior Court of the State of California in and for the County of Sacramento

This case involves a breach on or about September 27-29, 2020 of Personal Information (such as names, social security numbers, dates of birth, drivers’ license numbers, passport numbers, bank account numbers, and bank account balances) for the Bank’s customers. The breach entailed an employee of the Bank downloading Personal Information to a storage device and/or storage service not authorized by the Bank and sending that information to a third party not authorized by the Bank to receive such information. The Bank notified customers of the breach on or about November 20, 2020.

The Lawsuit was brought against the Bank by Plaintiff on behalf of a Class of individuals whose Personal Information was affected.

The Lawsuit seeks restitution and damages, including statutory damages pursuant to the California Consumer Privacy Act, for Class Members. Copies of documents with more details about the claims and a ruling by the court are available at www.atticusadmin.com/rodriguez-v-river-city-bank-settlement/.

3. Why is this a class action?

In a class action, one or more people called “Class Representatives” sue on behalf of themselves and people with similar claims. This group is called the “Class” and the people in the class are called “Class Members.” Once the Court resolves the issues for all Class Members, except for those who exclude themselves from the Class. In this case, Plaintiff is the Class Representative.

4. Who is the defendant?

The Defendant is River City Bank, also referred to as the “Bank,” which is a bank with its headquarters in Sacramento, California.

5. Why is there a proposed Settlement?

The Court did not decide this case. Instead, both sides agreed to a Settlement. That way, they avoid the costs and risks of trial and appeals, and Class Members get compensation. The Class Representative and his attorneys think the Settlement is best for the Class Members.

6. How do I know if I am part of the Settlement?

The Bank’s records show that you are a Class Member, unless you opt out. Thus, if the Settlement is approved and you do not opt out, you will be part of the Settlement and you will receive your portion of the Settlement amount.

The “Class” is defined as:

All of the Bank’s customers who are natural persons (i.e., excluding entities such as corporations, partnerships, limited liability companies, limited liability partnerships and trusts) with California mailing addresses whose Personal Information was, on or about September 27-29, 2020, transferred, copied or stored on a storage drive or storage service not authorized by the Bank and/or was accessed by a person not authorized by the Bank; provided, however, that the following are excluded from the Class: (i) the Bank; (ii) any entity in which the Bank has a controlling interest; (iii) the Bank’s officers, directors, and attorneys; (iv) any judge or judicial officer presiding over this matter and the members of their immediate families; and (v) any individual or entity that timely and validly opts-out from the Class.

A “Class Member” means any member of the Settlement Class.

7. How much will I receive?

Pursuant to the proposed Settlement Agreement, the Bank will pay \$140,000 to compensate the Class Members, pay the attorneys' fees and costs for Class Counsel, pay a service award to Plaintiff, and pay all of the costs related to the administration of the Settlement. The Class, before opt outs, consists of approximately 16,417 individuals. The Class Members who do not opt out will equally share in the portion of the Settlement amount available for distribution to the Class Members, which is estimated to be \$3.26 per Class Member.

8. How can I receive my share of the Settlement?

You do not need to do anything to receive your share of the Settlement, unless a) at the time the funds are distributed to the Class Members you no longer have any account at the Bank; and b) you have changed your e-mail address from that provided to the Bank. In that case, please contact the Settlement Administrator via e-mail with your new e-mail address.

If you have an account with the Bank when the Settlement is distributed to Class Members, the Bank will deposit your share of the Settlement into one of your accounts. If you no longer have an account at that time, the Settlement Administrator will provide your share of the Settlement in an e-mail with a link to PayPal, Venmo or Zelle, electronic commerce services that facilitate payments between parties.

9. What is the Bank doing to protect customers?

Subsequent to the data breach, the Bank implemented additional security procedures and practices aimed at preventing any similar data breaches from occurring in the future. The new security procedures and practices include new security software that is designed to block almost all employees from using the Bank's computer systems to access online storage sites or to move Personal Information for the Bank's customers to an online storage site or another storage device not authorized by the Bank. The Bank also offered affected customers two years of free identity protection services provided by a third-party protection service.

10. What am I giving up?

Unless you exclude yourself from the Settlement, you are staying in the Class, which means you will a) release the Bank from any liability related to the Data Breach; and b) not be permitted to sue, continue to sue, or be part of any other lawsuit against the Bank related to the Data Breach.

The Settlement Agreement sets forth the details of the Settlement terms, which will be binding upon you. The Settlement Agreement is available at www.atticusadmin.com/rodriguez-v-river-city-bank-settlement/. Please read it carefully. If you have any questions, you may contact the law firm listed on under Frequently Asked Question No. 24 for free, or you can talk to your own lawyer.

11. How do I file a claim?

You do not need to file a claim to participate in the Settlement. As noted above, you will automatically participate in the Settlement if you do nothing.

12. When will I receive my benefits?

The Court will hold a hearing on October 26, 2022, at 9:00 a.m. (which the Court might continue to a new date) to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals. Resolving them can take time, perhaps more than a year. If and when the Settlement becomes final, the Bank and the Settlement Administrator will begin the distribution to the Class Members.

13. What happens if my contact information has changed?

If you have an account with the Bank when the Settlement is distributed to Class Members, the Bank will deposit your share of the Settlement into one of your accounts. If you no longer have an account at that time, the Settlement Administrator will e-mail you a link for you to obtain your share of the Settlement.

If you have closed all your accounts at the Bank before the Settlement is distributed and you have changed your e-mail address from that provided to the Bank, you should contact the Settlement Administrator via e-mail or mail

with your new e-mail address.

14. What happens to any Settlement money not paid to Class Members?

Any money left in the Settlement Fund (i.e., after the Bank electronically deposits money with Class Members who are still account holders, after the Settlement Administrator attempts to e-mail payments to other Class Members, and after payment of all attorneys' fees, costs, service award, and administrative expenses), the balance will be paid to the following non-profit organization: Bet Tzedek.

15. How do I “Opt Out” and exclude myself from the Settlement?

If you do not want to receive benefits from the Settlement, and you want to keep your right, if any, to sue the Bank on your own about the Data Breach on about September 27-29, 2020, then you must take steps to exclude yourself from the Settlement. This is called “opting out” of the Class. When you opt out, you will not receive any benefits of the Settlement, and you will not be bound by its terms.

To opt out, you must send to the Settlement Administrator an e-mail stating your intent to be excluded from the Settlement. The e-mail should include: (1) the name of this case (*Kyle Rodriguez v. River City Bank*); (2) your name; and (3) a statement that you want to be excluded from the Settlement. The e-mail must be sent no later than 45 days after issuance of this Notice to: RiverCityDataBreach@atticusadmin.com.

You cannot exclude yourself by sending a notification to any other e-mail address or location, or after the deadline set forth above. You cannot exclude yourself by telephone or by mail. If you ask to be excluded, you will not get any Settlement payment and you cannot object to the Settlement. However, you may be able to sue (or continue to sue) the Bank in the future.

16. Can I sue the Bank later?

Unless you opt out, you give up the right to sue the Bank on your own about the Data Breach on about September 27-29, 2020. You must opt out pursuant to the section immediately above if you want to sue the Bank on your own.

17. How do I tell the Court that I do not like the proposed Settlement?

You can object to the Settlement if you do not like any part of it, but do not wish to opt out of the Settlement. You can give reasons why you think the Court should not approve it. The Court will consider your views. You cannot ask the Court to order a larger Settlement, but you can voice your concerns. The Court can only approve or deny the Settlement. If the Court denies it, no Settlement payments will be made and the lawsuit will continue. If that is what you want to happen, you must object.

To object to the Settlement, you must e-mail an objection to the Settlement Administrator no later than July 11, 2022 (45 days after issuance of this Notice). The e-mailed objection must include all of the following:

- Your name and e-mail address;
- The name of this case (*Kyle Rodriguez v. River City Bank*); and
- A statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable.

You must e-mail the objection to the Settlement Administrator at the following e-mail address:

RiverCityDataBreach@atticusadmin.com

If you do not comply with the requirements set forth above, you may lose the right to object to the Settlement or to be heard at the Final Fairness Hearing.

18. What's the difference between objecting and excluding?

The difference between objecting and excluding (also known as opting out) is that objecting is informing the Court that you do not like something about the Settlement. You can object only if you stay in the Class. Excluding yourself (opting out) is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case and the Settlement no longer affect you.

19. How will the funds from the Settlement be distributed?

Subject to the Court's approval, the Settlement Fund will be used as follows: (a) to pay all the costs, expenses and fees to administer the Settlement; (b) to pay Class Counsel's attorneys' fees, costs, and Plaintiff's service award, as authorized by the Court; (d) to distribute the remaining amounts equally to each Class Member; and (e) to distribute to a non-profit organization any amounts which could not be distributed to Class Members.

20. When and where will the Court decide whether to approve the Proposed Settlement?

The Court will hold a Final Fairness Hearing on October 26, 2022 at 9:00 a.m. in Department 54 at the Superior Court of California, County of Sacramento located at the Hall of Justice, 813 6th Street, 2nd Floor, Sacramento, CA 95814. The Court may change the time and date of the Fairness Hearing without further notice to the class. Notice of any change will be posted at the courthouse or on the Court's website. If you want to participate in the hearing remotely (such as via a telephone conference or Zoom), please check the Court's website or contact the Settlement Administrator for the Court's current policy and procedures).

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them at the Final Fairness Hearing. The Court may listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Class Counsel. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

21. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. You do not have to attend, but you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. If you e-mailed your written objection by the deadline, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

22. May I speak at the hearing?

You may speak at the Fairness Hearing if you object to the Settlement pursuant to Frequently Asked Question No.17, above.

23. What happens if I do nothing at all?

If you do nothing, you will be bound by the Settlement, you will receive your portion of the Settlement distribution, and you will not be able to sue the Bank in a separate lawsuit in connection with the Data Breach that is the subject of this lawsuit.

24. Do I have a lawyer in this case?

If you do not opt out of the Class, you and the other Class Members will be represented by Class Counsel who are Julian Hammond, Ari Cherniak and other lawyers at HammondLaw, P.C., 1201 Pacific Ave., Suite 600, Tacoma, WA, 98402.

You will not be charged for these lawyers who will be paid from the Settlement. If you want to be represented by your own lawyer, you may hire one at your own expense.

25. How will the lawyers be paid?

You do not have to pay Class Counsel. To date, Class Counsel have not requested or been paid any attorneys' fees. As part of the Settlement, Class Counsel will ask the Court for payment of attorneys' fees from the Settlement Fund

of up to \$49,000 and reimbursement of costs and expenses associated with litigation up to \$10,000. The Court may award less than these amounts. Class Members shall have no obligation to pay any fees or expenses of Class Counsel. No payment of attorneys' fees or reimbursement of expenses shall be made in favor of Class Counsel, absent an order of the Court. The costs of providing this Notice and administering the Settlement are being paid from the Settlement Fund.

From: **River City Data Breach Settlement**
Subject: NOTICE OF SETTLEMENT OF CLASS ACTION (Short Form)

**ISSUED BY ORDER OF THE SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SACRAMENTO**

You are receiving this e-mail because you were a customer of River City Bank and on or about September 27-29, 2020 your Personal Information (such as your name, social security number, date of birth, drivers' license number, passport number, bank account number, and bank account balance) was downloaded by a Bank employee to a storage device and/or storage service not authorized by the Bank, and sent to a third party not authorized by the Bank to receive such information.

Why did I get this Notice? A settlement ("Settlement") has been proposed in a class action lawsuit pending in the California Superior Court, County of Sacramento ("Court") titled *Kyle Rodriguez v. River City Bank*, Case No. 34-2021-00296612 ("Action"). According to available records, you are a "Class Member." **The purpose of this Notice is to inform you of the Action and the Settlement so that you may decide what steps to take in relation to it.**

What is the Action about? Plaintiff Kyle Rodriguez filed a complaint seeking to recover damages from the Bank on behalf of himself and the Class, including you, composed of approximately 16,417 individuals, whose Personal Information was affected by the September 27-29, 2020 Data Breach.

What relief does the Settlement provide? River City Bank will pay \$140,000 to compensate the Class Members, pay the attorneys' fees and costs for Class Counsel, pay a service award to Plaintiff, and pay all of the costs related to the administration of the settlement. The Class currently consists of approximately 16,417 individuals. Class Members who do not exclude themselves from the Settlement will equally share in the portion of the settlement amount available to distribution to the Class Members, which is estimated to be \$3.26 per Class Member.

How do I Receive my Settlement Share if the settlement is approved? You do not need to do anything to receive your share of the Settlement, unless a) at the time the funds are distributed to the Class Members you no longer have any account at the Bank; and b) you have changed your e-mail address from that provided to the Bank. In either case, please contact the Settlement Administrator via email with your new e-mail address.

If you have an account with the Bank when the settlement is distributed to Class Members, the Bank will deposit your share of the Settlement into one of your accounts. If you no longer have an account at that time, the Settlement Administrator will e-mail you a link to obtain your share of the Settlement.

Court Approval of the Settlement/When the Payment Will Be Made: The Court will hold a "Final Approval Hearing" on October 26, 2022, at 9:00 a.m. to consider whether to approve the Settlement. The payment will be issued only if the Settlement is approved.

Other Options: If you are a Class Member and don't want to be legally bound by the Settlement, you must exclude yourself by emailing the Settlement Administrator at RiverCityDataBreach@atticusadmin.com If you stay in the Settlement, you may object to it (*i.e.*, state the reasons you do not like it) by emailing the Settlement Administrator.

For instructions on how to exclude yourself from the Settlement or how to object to the Settlement, please see the Notice (Long Form) at www.atticusadmin.com/rodriguez-v-river-city-bank-settlement/. The Notice (Long Form) also explains in detail which legal claims you will give up if you participate in the settlement. If you object, you may ask to appear at the Final Approval Hearing, but you don't have to.

Case: Kyle Rodriquez v. River City Bank

Objection: I object to the proposed settlement as it is clear to see that the attorney's and settlement administrators are receiving more than the victims. To pay out \$3.26 to each victim isn't worth the effort or the exercise. The only parties making out in this case is the attorney's and for what? Getting each of us a whopping \$3.26? I am willing to pay the attorneys 33% of what I receive, anymore would be unfair and unjust.
