Plaintiff's Motion for Final Approval of Class Action Settlement (ROA 92)

Tentative Ruling posted on the Internet.

There are no appearances by any party.

Prior to calendar call, all parties telephonically submit on the Court's tentative ruling.

The Court confirms the tentative ruling as follows:

The Court GRANTS Plaintiff's motion for final approval of class action settlement. The Court approves the following distributions:

1. Attorney's fees in the amount of \$55,200, or 30% of the GSA. The Court finds this amount to be a reasonable result in light of the quality of the result obtained, the work performed by class counsel, a review of the billing records provided, and the estimated lodestar. In approving this amount and examining the billing records provided, the Court is not approving any particular hourly billing rates proposed by class counsel.

2. Litigation costs in the amount of \$10,461, per the billing records.

3. Administration costs in the amount of \$7,500, per the administrator's declaration.

4. An enhancement of \$5,000 to Plaintiff. In making this award, the Court has considered only the factors set forth in *Golba v. Dick's Sporting Goods, Inc.* (2015) 238 Cal.App.4th 1251 and *Clark v. Am. Residential Servs. LLC* (2009) 175 Cal.App.4th 785.

5. Payment to the LWDA of \$7,500, per the parties' PAGA allocation.

Pursuant to CCP § 384(b), Plaintiff shall submit to the Court a final report on or before December 1, 2025 setting forth the actual amounts paid to class members and other amounts disbursed pursuant to the settlement. Upon receiving the report, the Court will determine whether further reports and/or a hearing will be necessary.

Please submit a revised proposed order that conforms to the foregoing for the Court's signature.

Court orders clerk to give notice.
